

SIGN INTO myNMERB

Did you know that if you are a member of the NMERB, you have direct access to your retirement account?

You can log into your 'myNMERB' account by visiting the NMERB website at the following address: www.nmerb.org and clicking on "sign into myNMERB" located on the right side of the webpage.

You will need to register yourself by entering your social security number, last name, zip code and date of birth. You will then be asked to create a username and password. Upon completion of the

registration process you will be able to:

- View your current Final Average Salary (FAS)
- Calculate a retirement benefit
- Calculate beneficiary option amounts
- Calculate estimates to purchase allowed service credit
- Calculate estimates to purchase withdrawn service
- View your statement of account
- Request an application for retirement or application to refund member contributions

Logging into your myNMERB account can be very helpful while thinking about retiring because you can enter different dates of retirement and different beneficiary dates of birth to see how benefit amounts can vary based on years of service, Final Average Salary and age of beneficiary. This access to your account can be very beneficial to help you make the best decision about this exciting milestone in your life.

For help logging into your myNMERB, please call 505-827-8030 or 1-866-691-2345.
